## CHRISTMAS CHEER COMES TO CHURCH STREET

**O**n Sunday 11 December, Church Street was transformed into a Winter Wonderland when the Lord Mayor of Westminster switched on the Christmas lights at our annual festive extravaganza.

Visitors got to visit Santa at his grotto as he handed out gifts to local children with his reindeers. Carols by South Westminster Choir and Lucky Pan Man Steelband also got everyone in the yuletide spirit.

It was great to see so many of our residents and the wider community come together to enjoy the festivities.

**The Church Street Regeneration Team wish you a very Merry Christmas and a Happy New Year.**

## HIGHLIGHTS OF THE YEAR

It has been a big year for Church Street, as we celebrated important milestones across several projects including Green Spine phase 1, Luton Street and Church Street Leisure Centre, and public improvements works to the Church Street Triangle.

In October, we held a Green Spine event with music, local food and community groups showcasing their projects. Many of which were funded by the council's Neighbourhood Keepers community fund.

We look forward to keeping you updated on the continued progress of projects and community events at Church Street in our future editions of the newsletter and on our website [churchstreet.org](http://churchstreet.org)
