

LUTON STREET AND FISHERTON STREET

NEWS

BRINGING YOU THE LATEST FROM THE LUTON STREET AND FISHERTON STREET PROJECT WHICH IS PART OF THE CHURCH STREET REGENERATION PROGRAMME

A progress picture of Luton Street

Welcome back to the Luton and Fisherton Street newsletter, keeping you up to date with what's happening with the development. The main structure, including the three town houses on Fisherton Street, is now complete. The team are now focused on the completion of the roof coverings, brick work and the fit-out of the new homes including the mechanical and electrical equipment to provide sustainable heat, hot water and power.

As you will have seen, the first tower crane was successfully dismantled in July, which has allowed us to begin the internal finishes in the Sport Hall.

We are currently seeking the contract for the landscaping works, which will start in early 2022, this is a key part of the development as it will link-in with the Green Spine.

Luton Street and Fisherton Street are part of the Church Street regeneration and will bring 171 new homes to the area:

- ▶ 109 homes for sale
- ▶ 62 affordable homes
- ▶ Three-court sports hall and a community space
- ▶ Landscaping that will connect to the Green Spine

Started: 2019

Estimated Completion: 2022

TOPPING OUT CEREMONY AT LUTON STREET

Rob Bradley (CEO Bouygues UK), Axel Boutrolle (Managing Director Linkcity), Augustin Du Four (Luton Street Project Director Bouygues UK) and Cllr Rachel Robathan at the Luton Street Topping Out Ceremony

On Thursday 27 May Cllr Rachel Robathan – Leader of the Council, visited Church Street for a tour of the regeneration programme.

During Cllr Robathan’s visit, a special event known as a topping out ceremony was held. Topping out is when the structure of a building reaches its highest point.

Guests from Westminster City Council, Bouygues UK and Linkcity joined the on-site Project Team to celebrate this milestone.

Cllr Robathan, Rob Bradley, CEO – Bouygues UK and Axel Boutrolle, Managing Director – Linkcity, witnessed the installation of the final concrete slab.
