#### **This week**

Below is what will happen this week as part of the demolition of Site A

- 4 November, scaffolding will start to be erected along Broadley Street

---

**Week Commencing 18 November**

Below is what is expected to happen in a couple of weeks

- 18 November will be the arrival of the High Reach machine. This is the machine which will demolishes the building.
  - 19 November, demolition will start on Ingerbourne House
- 

Keltbray and the council will monitor the impact of this route throughout demolition and, based on the results of this monitoring and resident feedback, will examine how we can further improve lits operation.
